

Harvard Law School Student Government Constitution

Article II. Student Government Membership

B. OLD:

Section 3: The Board of Directors

1. The Board of Directors shall consist of one of each of the following:
 - a. Director of Academic Affairs;
 - b. Director of Events;
 - c. Director of Faculty Engagement;
 - d. Director of Internal Affairs;
 - e. Director of Student Engagement;
 - f. Director of Student Organizations; and
 - g. Director of Finance.
2. Directors shall be appointed to one year terms.

B. ADDITION:

Section 3: The Board of Directors

2. Directors shall be appointed to one year terms, beginning the day after Commencement of the year the appointing President and Vice President are elected and ending on Commencement Day the following year.

(so [REDACTED] can oversee SFB proceedings, etc.; the April 1 clause would then be deleted)

D. OLD:

2. Representatives shall be elected to one year terms.

D. AMENDED:

2. Representatives shall be elected to serve from the day elected until Commencement Day of the year elected.

(says this elsewhere but here it says one-year, which conflicts; just makes it clearer)

[REDACTED]

S. OLD:

Article IX. Meetings

Section 1: In General

6. All Student Government meetings shall be open to all members of the Law School community, unless decided against in advance by the President.

S1. AMENDED:

Article IX. Operations

Section 1: In General

6. All Student Government meetings shall be open to all members of the Harvard Law School community.

a. Student Government meetings are closed to members of the public unless decided in advance by the President.

b. Visitors may not participate in the meetings in any form or act to distract Student Government members in any way.

i. Failure to comply can result in the Student Government requiring that the visitor leave.

ii. From April 1 to Commencement, the previous President and Vice President may, but are not required to, participate in Student Government meetings as Emerita Board members. <expire Commencement 2012?>

<I don't care as much about the last one, but am concerned about what will happen to unfinished projects and questions that arise that would suggest continued membership in some capacity would be helpful>

I'm also open to rewording of the open meeting policy but want this to reflect concerns that have been raised and I think this language does.

S2. ADDITION:

Section 2: Disclosure

1. The attendance log must be updated by the end of each meeting and posted on the Student Government website within 48 hours of the end of the meeting.

2. All General and Board meeting minutes must be posted on the Student Government website within 48 hours of the end of the meeting.

3. The Constitution/By-Laws must be updated on the Student Government website within 48 hours of any amendments passing.

4. Responsibilities for Section 2 are assigned to Board members via the By-Laws.

a. Failure to abide by Section 2 does not constitute violation of the Constitution when abiding is impracticable, such as through a service interruption or emergency.

I'm also open to rewording here but want this to reflect concerns that have been raised and to codify what we've discussed/already do. Budget disclosure is in our By-Laws.
